L'arbre

Association MCA

Marcher, Connaître, Agir

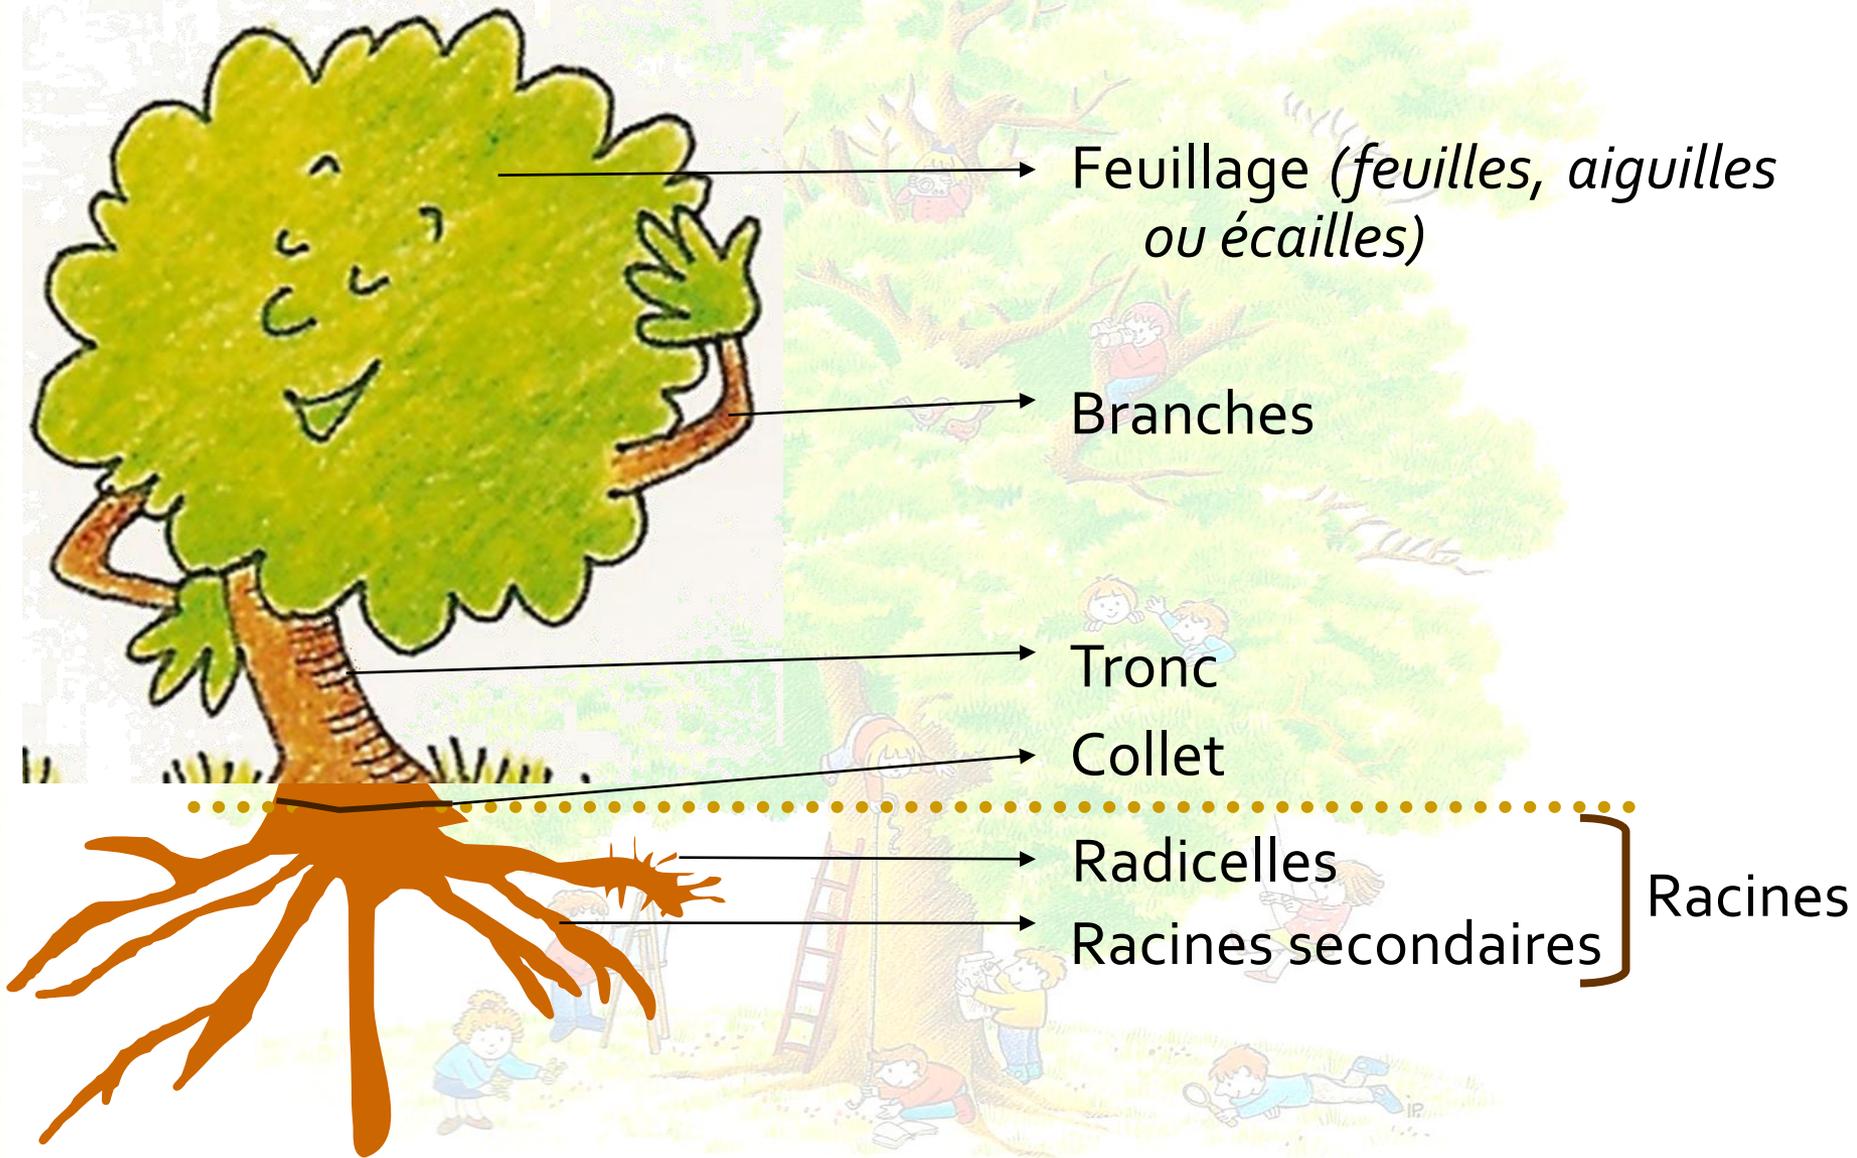

A large, vibrant green tree with a thick brown trunk and many branches. Several children are depicted in various playful activities around the tree. One child is climbing a ladder leaning against the trunk. Another is sitting on a swing set to the right. A child is lying on the ground with a magnifying glass. Others are standing near the base of the tree, some looking up. The scene is set in a grassy area under a bright sky.

Qu'est-ce qu'un arbre ?

Faisons un portrait de l'arbre

Les parties de l'arbre

L'arbre est un être vivant

→ Exemples d'êtres vivants?

→ Quels sont les points communs entre tous les êtres vivants?

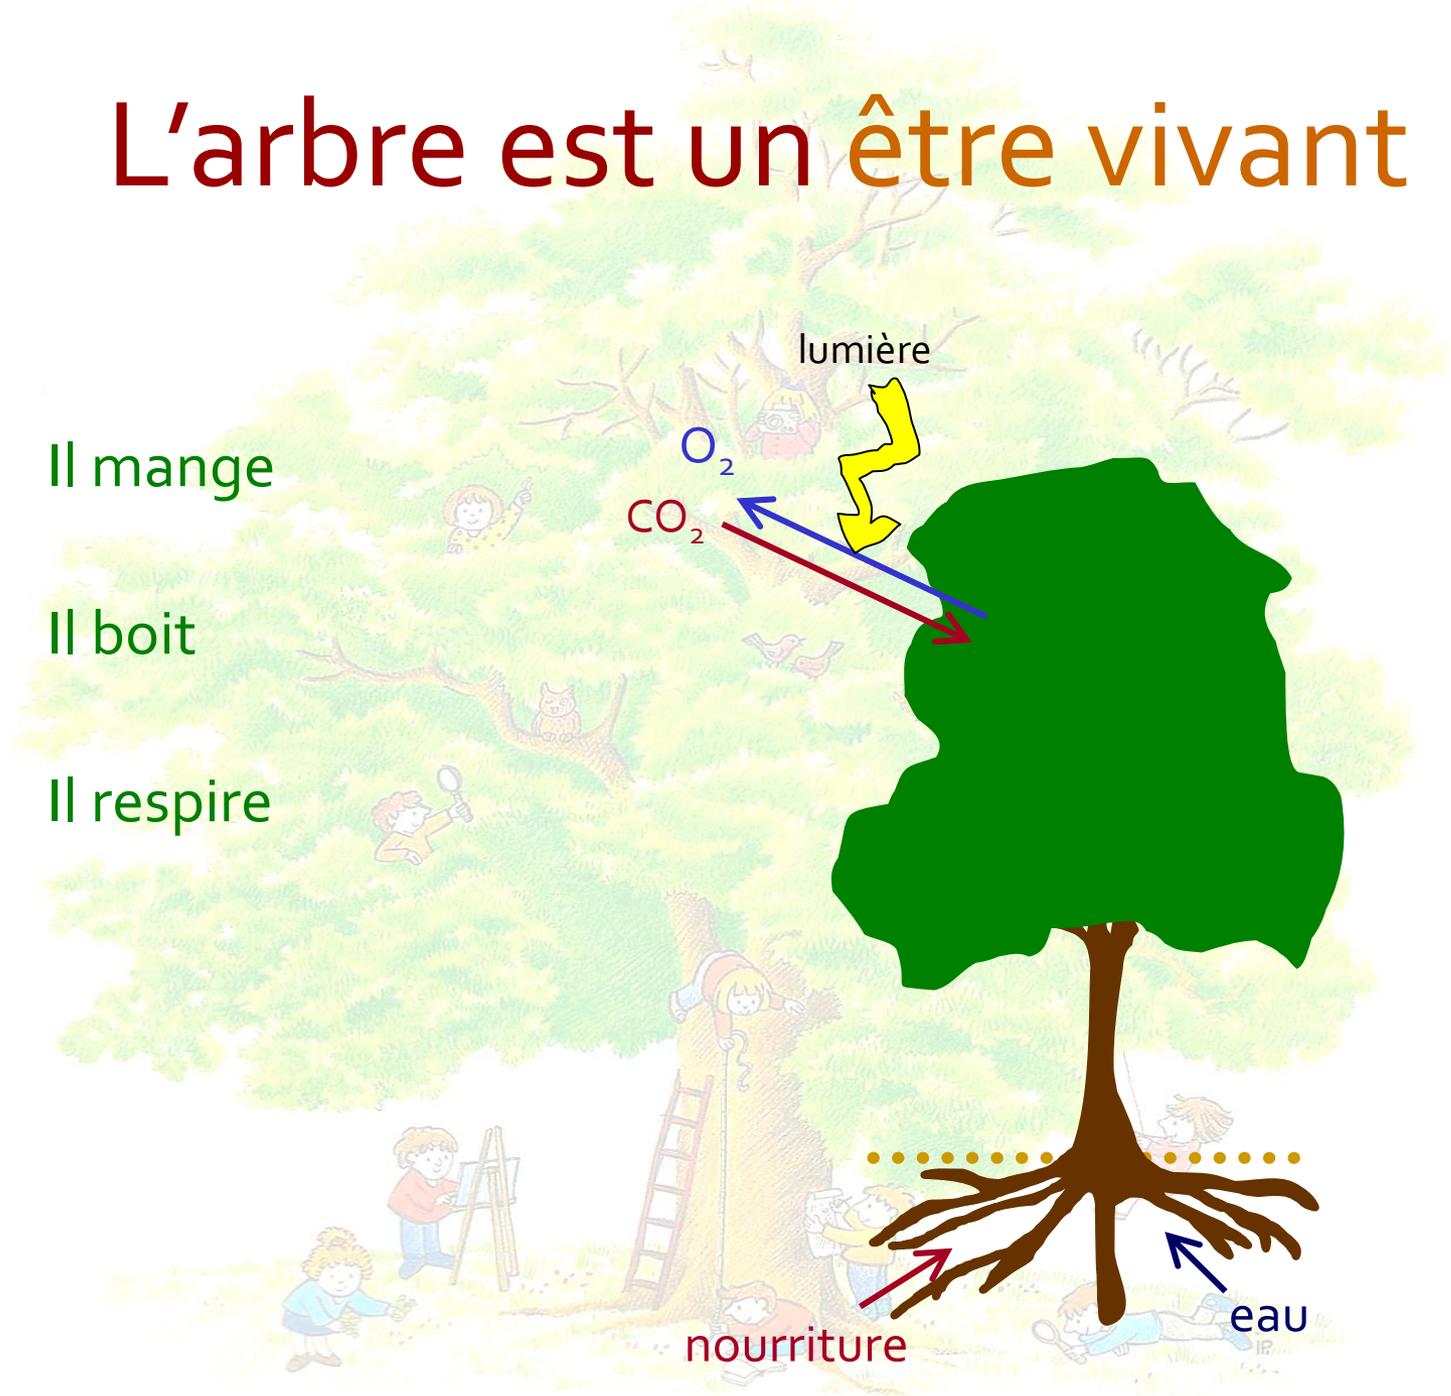

L'arbre est un être vivant

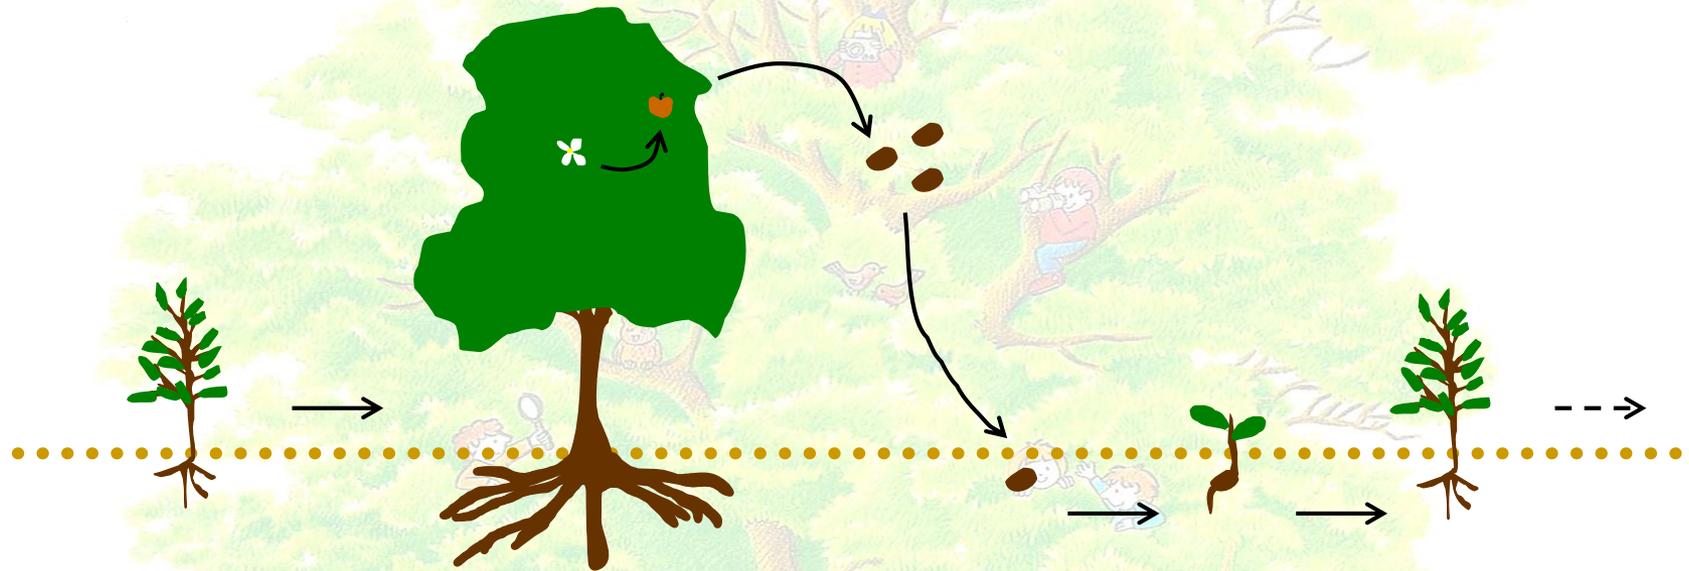

Il mange

Il boit

Il respire

L'arbre est un être vivant

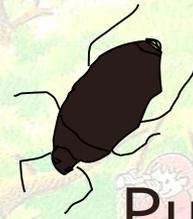

Il grandit

Il se reproduit

L'arbre est un être vivant

Pucerons

Il est parfois malade ou attaqué par les ennemis

L'arbre est un être vivant

Il meurt

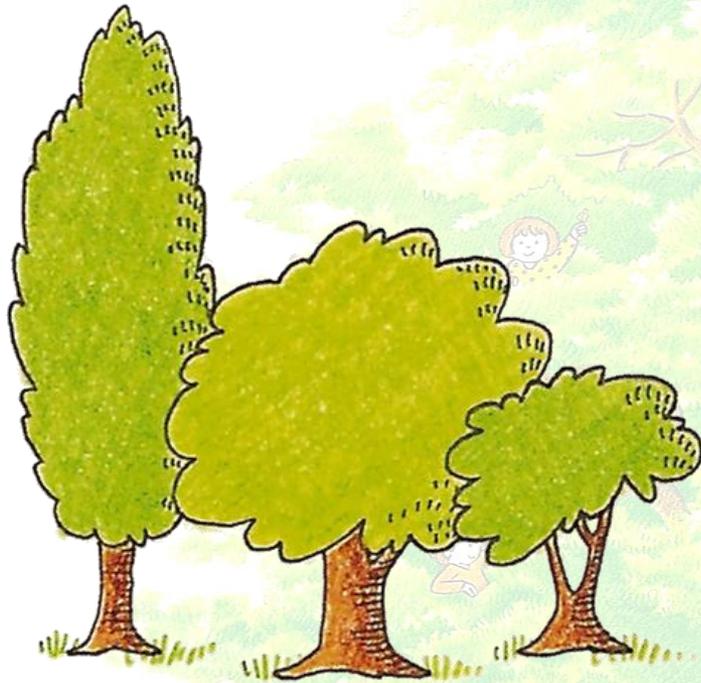

Existe-t-il
différents arbres ?

Types d'arbres

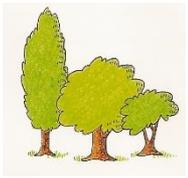

Les feuillus

Les conifères

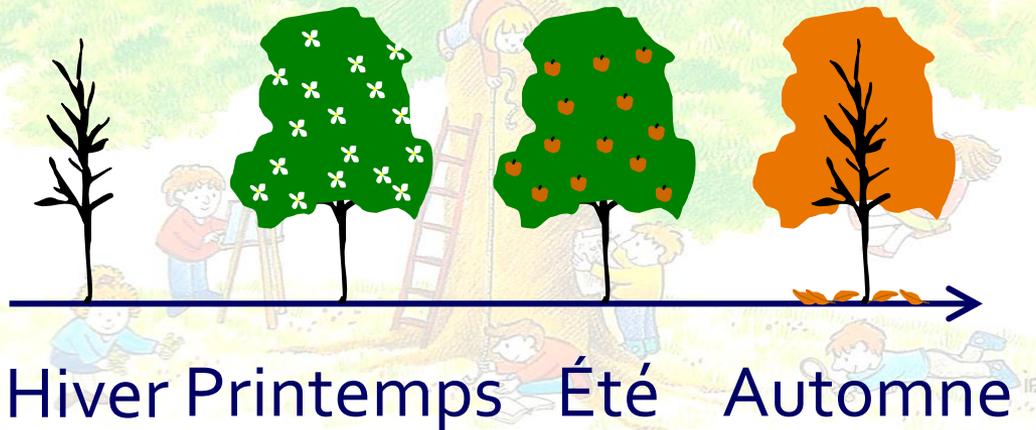

Les feuillus

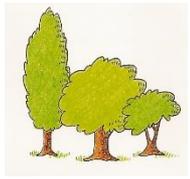

Ils ont des feuilles

Et les perdent une partie de l'année

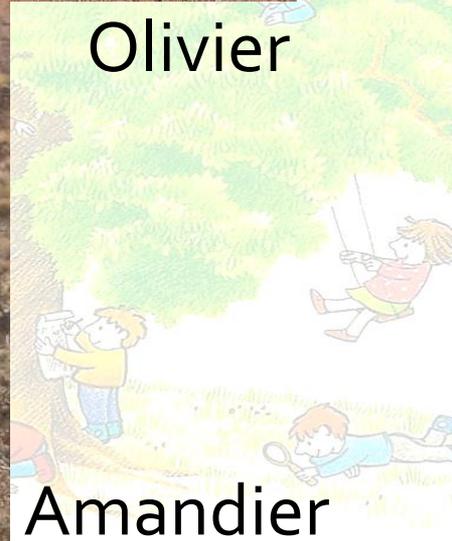

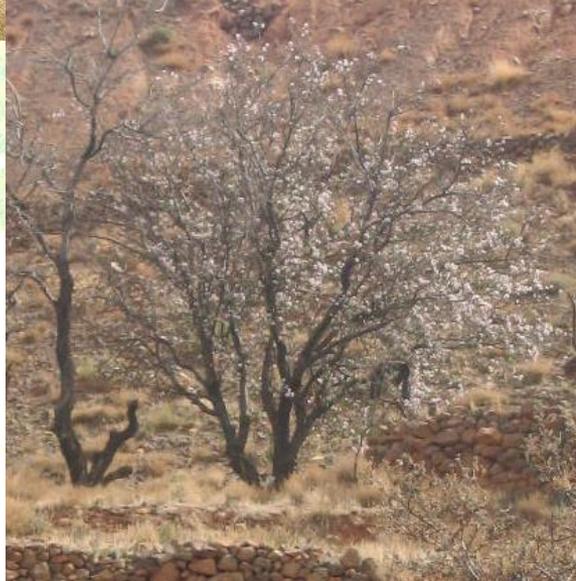

Exemples de feuillus

Figuier

Olivier

Amandier

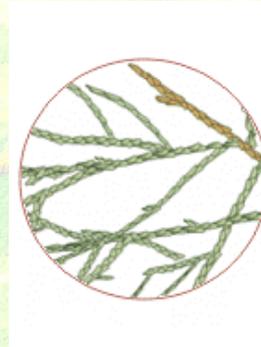

Eucalyptus

Les conifères

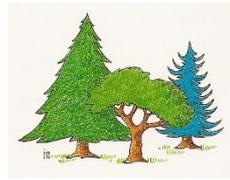

Ils ont des aiguilles ou des écailles

Et les gardent toute l'année

Exemples de conifères

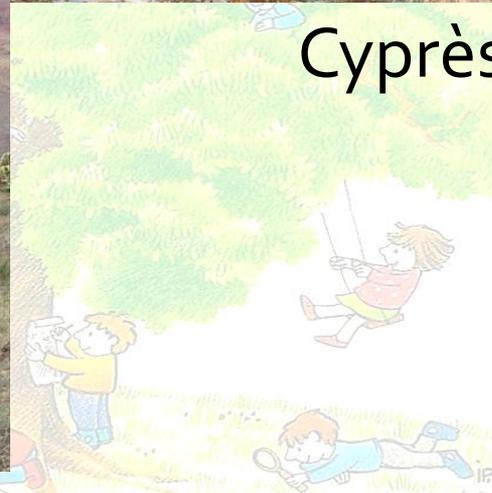

Cèdre

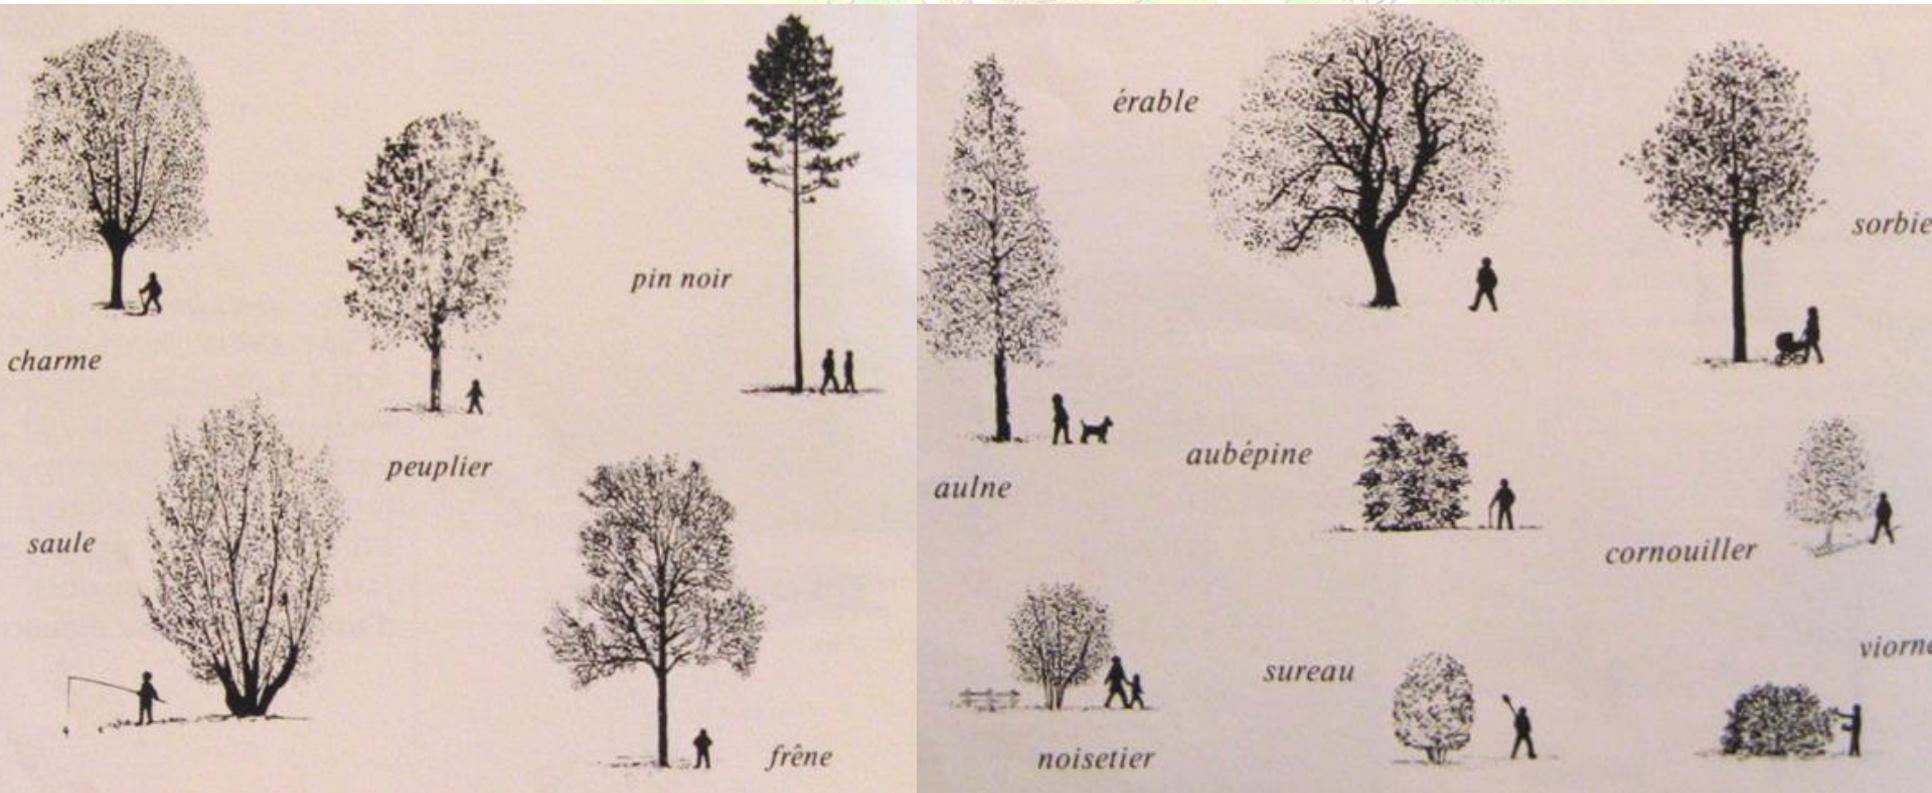

Cyprès

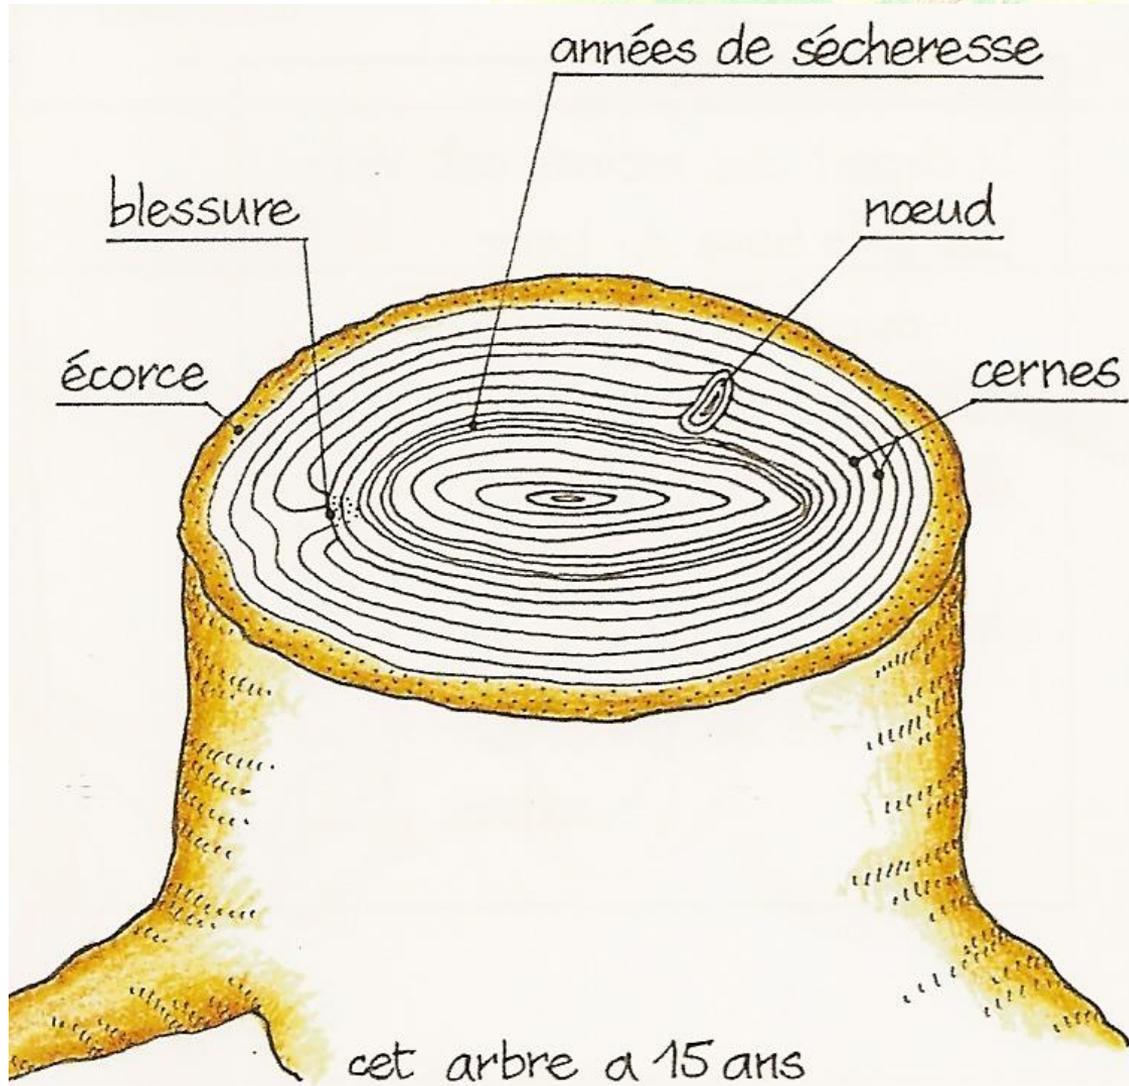

Pins

Chaque arbre a sa propre forme

Connaître l'âge d'un arbre

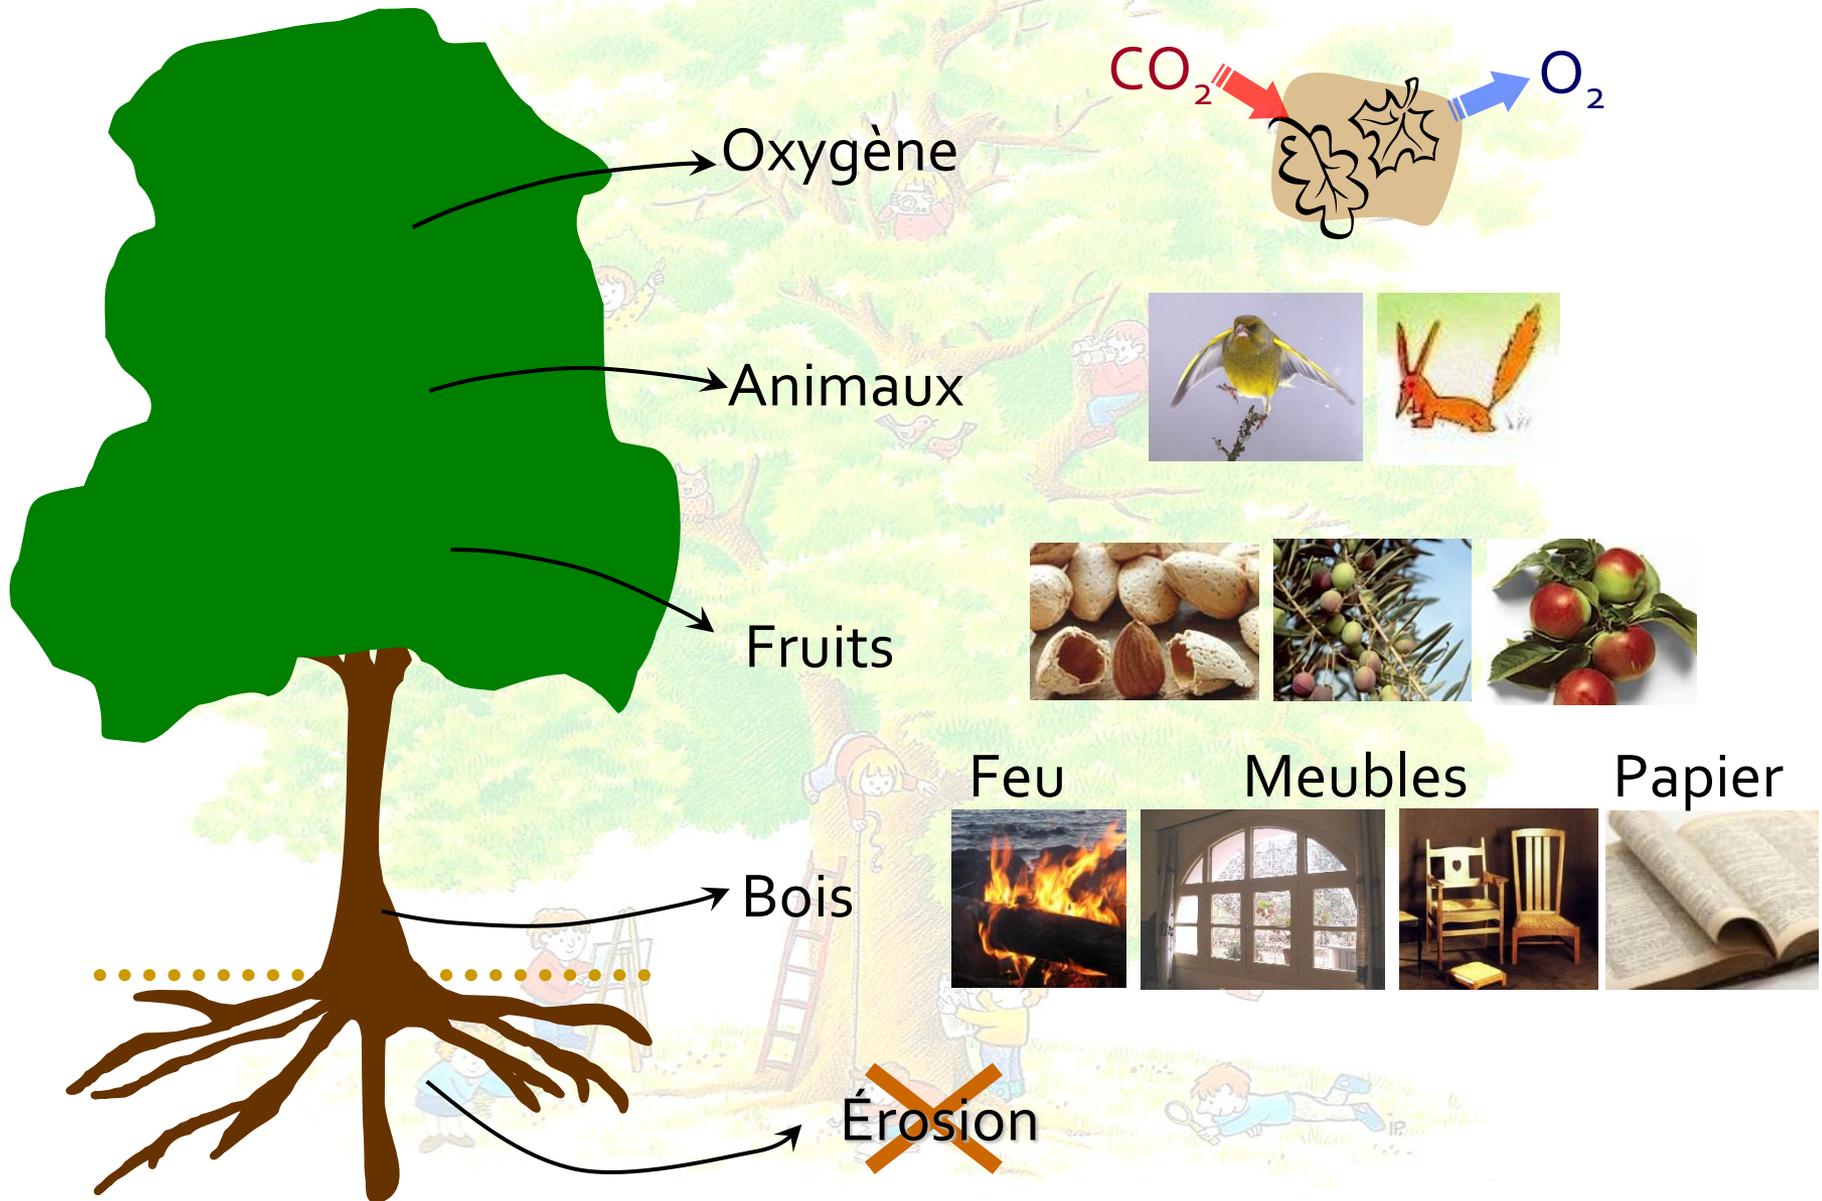

→ Compter les cernes (anneaux)

A large, vibrant green tree with a thick brown trunk and many branches. Several children are depicted in various playful activities: one is climbing a ladder against the trunk, another is swinging on a swing set to the right, and others are sitting on the ground or in the branches. The scene is bright and cheerful, set in a grassy area.

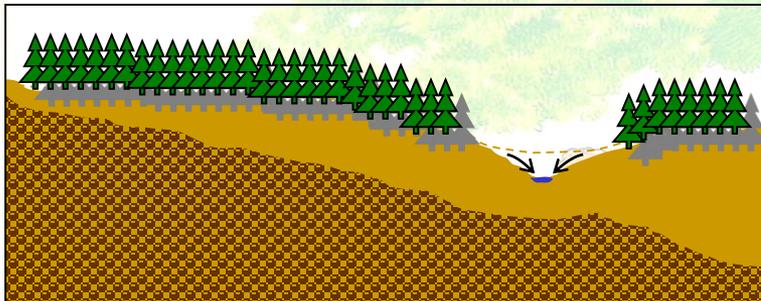

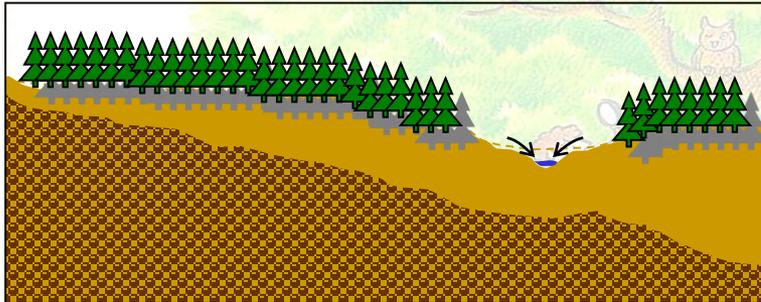

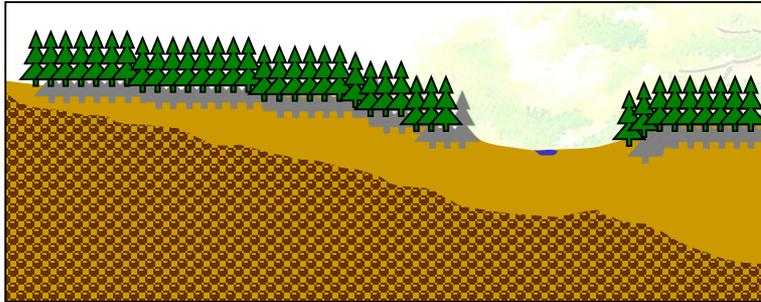

A quoi sert un arbre ?

L'arbre est utile

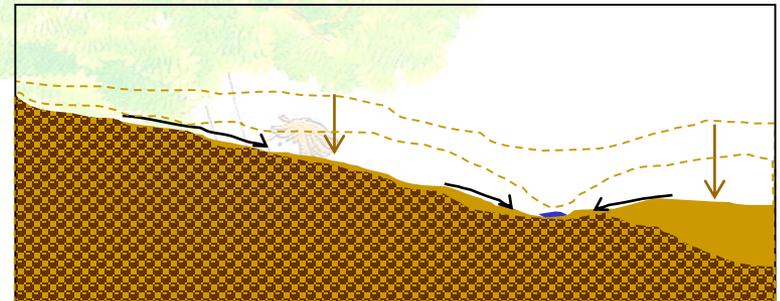

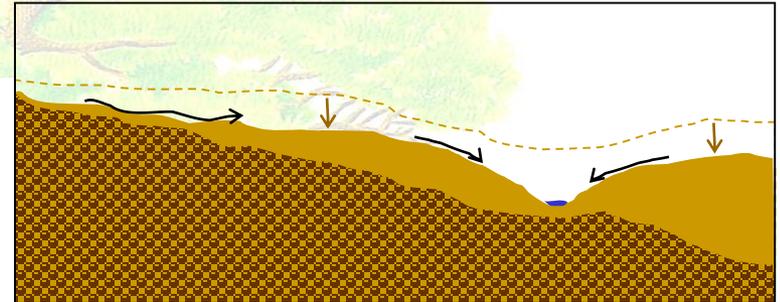

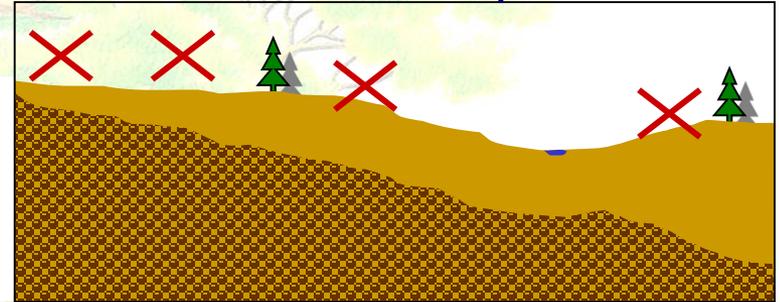

Qu'est-ce que l'érosion ?
